DAY BOARDING & RESIDENTIAL PUBLIC SCHOOL

Since 1989

GYAN DEEP EDUCATIONAL INSTITUTE

WELCOME TO GYAN DEEP Sr. Sec. PUBLIC SCHOOL

Introducing **DMIT** -A Scientific Approach for Ignited Brains

What is DMIT (Dermatoglyphics Multiple Intelligence Test)?

- DMIT is a Unique and Scientific Method developed by study of Finger Print Analysis.
- As per Latest Research, Fingerprints are external display of brain structure.
- DMIT is the study of Fingerprint Patterns to find out the inborn talent, Strength and Weakness in different areas.
- By DMIT Test Study, it is easy to find the Right Career Choice for your child.

Know Your Child's Following Qualities

- Management & Leadership Ability.
- Decision Making & Visual Ability.
- Learning Style, Sensitivity and Capacity.
- Left/Right Brain Orientation.
- IQ, EQ, CQ and AQ.
- Learning System: Visual, Auditory or Kinesthetic.
- Career Selection.
- Intelligence in various fields: Language, Imagination, Music & so on

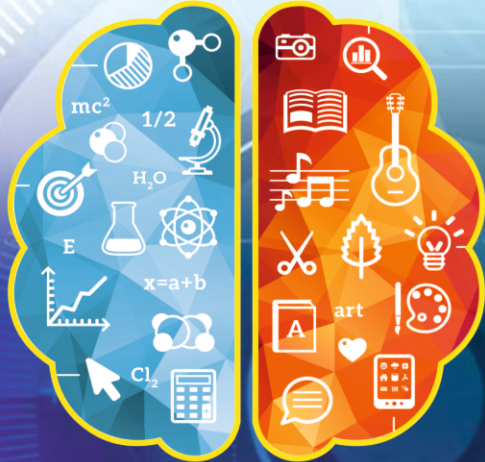

अपने बच्चे के बारे में ये सब जानिए-

- उसमें Creative और Reasoning ability कितनी है ?
- उसमें कौन सी Quality Dominating है ?
- उसकी प्रतिभा एवं दक्षता कैसी है ?
- वह किस क्षेत्र में निपुण हो सकता है ?
- उसका कौन सा Brain ज्यादा Active है- Left या Right
- किस तरीके से आपका बच्चा ज्यादा अच्छे तरीके से चीजें सीख सकते हैं- देखने से, सुनने से या अनुभव से ।
- आपका बच्चा किस क्षेत्र में अपना कैरियर चुनें- Doctor, Engineer, Businessman या कुछ और ।

Introduction

"Literary education is of no value, if it is not able to build up a sound character."

-Mahatma Gandhi

The self speaking results of board exams of the institution has proved a trend setter in the area. In addition to this fact, the institution tells the story of success through their students performing brilliantly in various fields like Medical, Engineering, IIT, Institution of CA, ICWA and other degree and professional courses. Gyandeeep institutions has an ultra modern infrastructure in a lush green campus in the lap of nature which includes the administrative wing, hostel for girls, academic blocks which comprise well-ventilated and spacious class rooms equipped with modern and latest teaching aids, conference hall, computer labs with internet connectivity, well stocked library, well equipped labs for Physics, Chemistry & Biology; music room, art room and playgrounds with maximum sports facilities etc. It is specific here to mention that besides class room teaching, career-oriented studies are being run parallel. This is a step to strengthen students' instincts of being successful in a highly competitive environment. We believe that excellence alone is the hallmark of competence and achievement. Above all the pious and honest dedication of our human resources definitely add a golden feather in the cap of the trust.

• Students in tri colour

Shri R.S. Yadav Ji

• Founder sir with Swami Ramdev.

• Parents of Martyr soldiers with Gyan Deep Parivar

• Shri S.M. Shukla, social worker, Assam

Founder Message

Shri R.S. Yadav
Founder

It is paradoxical to know at one and we are aspiring for better global, economic and social order and at the other there is total value deterioration because of our excessive engrossment with materialistic achievements.

There is a need for replacement of the present system of education by a more constructive and human system. It is better to light a candle than to curse the darkness. An educational institution with emphasis on making is a light house of children. Our future citizens to see the right path for making the world happy, harmonious and peaceful.

I remember the famous poet T.S. Eliot's saying, Where is the wisdom that we have lost in knowledges Where is the knowledge, we have lost in informations.

Today the emphasis is on intellect the power of human brain used for information are at the maximum for the exploration of knowledge. But this remains much short of 'wisdom'. What is the use of knowledge without wisdom Swami Vivekananda said, "Education should be man making, life building and character making".

Teacher has a big role in developments of child's future. Good educational institutions with teachers dedicated to this curse are the right and safe agency to work on it.

Director-Principal's Message

Dr. Rajani Yadav

I have completed three Decades in G.D.P.S. educational institution either related directly or indirectly. The responsibility of society is as golden opportunity to live & serve between childhood & life of the students was felt pleasant.

It gives me great pleasure to live most of time in this part of childhood. I have got such unlighted group of teachers that always makes its endeavor to enlighten the every part of this Gyan Deep garden. I am fortunate that I have got a hearty dedicated administration to the society & the mixture of disciplined students & co-operative guardian who always fill me with a lot of happiness & enthusiasm. CBSE affiliated GDPS is always ready to give good & noble students to serve the nation.

In educational competition, sports, science, cultural activities, the shining stars of GDPS are shining like a life sun. It is the tradition of GDPS to give noble army officers, great administrators, successful businessmen, engineers & doctors etc.

The GDPS is very fortunate that in the guidance of two scholars Mr. Radheyshyam Ji & Mrs. Shanti Deviji, came in existence in this Braj Bhumi. The dutifulness of these two has been giving the values & culture to the GDPS to strengthen the society & I Rajani Yadav, the daughter of these two, am trying to take the energy, to learn from the mistakes & I wish that I can do something for the motherland. I with the oath try to do something or a little for this land.

May God spread love, scholars, noble deeds, values, culture & nature on this land.

Dr. Rajani Yadav Ji

VISION

"Love is a fruit in season at all times and
within reach of every hand"

-Mother Teresa

The UNESCO Report-Jacques Delors committee 1996 stand the four pillars of education viz:

- 1) Learning to do
- 2) Learning to learn
- 3) Learning to be
- 4) Learning to live with others

Imploring on these lines Gyan Deep Sr. Sec. Public School envision a robust, vibrant and holistic education, grooming children into leaders in the field of their endeavors and world class global citizens - open to modernization with due respect to Indian cultural heritage.

• "Chhau Dance" performed by Bangali artists.

• School Asstt. Director with A.P.J. Kalam Sir

At Gyan Deep we believe learning is limitless. It goes beyond the covers of a book to span a student's overall personality development. Education is talent picturized i.e. it is a thought or a noble idea converted into reality. Education should make the child accommodate himself in the new socio economic order of the information area even at the cost of sacrificing his interest for the welfare of the nation and mankind.

• School Director-Principal with A.P.J. Kalam Sir

$$\bar{x} = \frac{\sum fx}{\sum f}$$
 where, $\sum fx$ = the sum of product of frequency & Variable f
 $\sum f$ = the sum of frequency

Aims and Philosophy

We want our pupils to become responsible adults, having achieved their academic potential and realised the full worth of others.

Our institutions stress to inculcate in young minds a sense of self-respect, pride, love and dedication for the nation. Gyan Deep aims at the complete development of children's capabilities of head, heart and hand in order to ensure growth of an integrated personality and national character with sense of duty and service to the society. Our hope as well as prayer is that Gyan Deep becomes a beacon of light to enlighten thousands of students who come in contact with it by removing the darkness of ignorance and narrow mindedness. To quote Swami Vivekanand: "We want that education by which character is formed, strength of mind is increased, intellect is expanded and which one can stand on one's own legs."

• Vaatsalya classroom interior

• Gyan Deep educational tour.

Objectives at Primary level

- 1) "Learning by doing" using Montessori apparatus.
- 2) Developing a sense of touch.
- 3) The children's perception is heightened by enacting clapping calling out and using a number of little learning aids.
- 4) The child is made to adjust and socialize with children coming from various cultural backgrounds.
- 5) Grooming children into world class leaders and global citizens.

Objectives at Secondary level

- 1) To integrate and develop student's physical and cognitive skills.
- 2) To create an awareness, a feeling of love for Indian cultural and tradition.
- 3) To encourage students to participate in creative meaningful activities.
- 4) To organise tours particularly to monuments and places of historical and cultural significance.
- 5) To set up hobby clubs, book clubs, sports club in school.

Gyan Deep Sr. Sec. Public School was founded in 1989 to fulfil a long need in this rural township by Smt. Shanti Devi Yadav M.A. (Political, History), M.Ed. Who is the president of All India Womens welfare society. This institution is the product of her ceaseless efforts and endeavors housed in a newly constructed building. Our school has three big halls, fifty rooms, three play grounds, four labs, a well-equipped library. Through under infancy, the institution under the able guidance and unflinching patronage of Smt. Shanti Devi Yadav is

progressing by leaps and bounds.

The school was affiliated to the C.B.S.E. in may 1993. The first batch of the all India Secondary Exam was sent in

1994 which brought first division to all 11 students who appeared in the Exam. In 1995, the first batch of class XII was sent with 17 students & showed an excellent performance. In the same year to meet the demand of outstation, students clamouring for admission, the school hostel was started with 8 students.

The school is affiliated to CBSE and runs classes from Nursery to Senior Secondary on a co-educational pattern. Education is the greatest asset that a child can possess. Good education prepares a child to become a capable, competent and responsible member of the society. Character building and inculcation of the moral values are the essential part of a good education system at Gyan Deep.

Our three dimensional personality development programme along with latest Computer education modulates every individual at GDPS to become self-reliant, competent and useful citizen, an asset not only to his/her family but also to the nation on the whole. Smart classes have begun through educomp system & now Gyan has its own Smart class software- Dhruv Mandal- Next Generation Classes.

The mission of G.D.P. School is to impart education and to reinforce character building ideas and practice. It is our constant and careful endeavour to develop the students intellectual, creative, physical and aesthetic facilities.

THE SCHOOL

Smt. Shanti Devi Yadav

Infrastructure

Campus is situated at 3rd mile stone from NH2, on Station Road, Shanti Nagar, Shikohabad, Firozabad (U.P.)

a) Building

Three storied school building comprises of modern classroom library, state of the art laboratories, high-tech computer lab, music & dance room and fully equipped communication infrastructure with camera monitoring.

b) Class Rooms

GDPS has spacious classes. Also they are ventilated and have natural light. The number of students in each class is restricted so that the teachers give individual attention to each student. Each classroom has a different colour scheme to create a good learning environment.

c) Computer Lab

Two of the laboratories cater to students learning C++ in classes XI and XII; one laboratory is dedicated to students of other classes for learning Oracle database programming; HTML and DHTML. A graded Computer Education programme exists in the school that introduces the use of computers at the Nursery level itself and then builds on the student's 'knowledge and skills' base at every subsequent level through CAL (Computer Aided Learning) and CLP (Computer Literacy Program).

• Aerial view of Gyan Deep

d) Science Lab

Once students are tuned to the Science Labs, and proceed to the Senior Classes, the specialized Biotechnology, Biology, Chemistry and Physics labs do the same function, and in much greater depth, since they are also designed to take care of the needs of the students for the Board Exams. The Physics lab has been designed keeping in mind the needs of the fast growing technology. The lab is spacious enough to accommodate the entire class and the students get surplus work space to work independently without getting disturbed. The lab is equipped with more than 200 pieces of apparatus required by students in various curriculum experiments and for their extended experimentation in projects.

Dhruv Mandal- Next Generation Class

Dhruv Mandal Next Generation Class

Gyan Deep Sr. Sec. Public School is the first school that is able to design their own software to cater the needs of new age students. Dhruv Mandal- next generation class software is completely designed in such an interactive & innovative manner, so that it improves effectiveness & productivity of teaching-learning process in classroom through projector based technology. The main feature of Dhruv Mandal next generation class is that every student has his/her own login id & he/she can easily access & learn his/her syllabus even in computer labs also. In this way the limitations of smart classes have overcomes by Dhruv Mandal. Through the help of this advance technology & innovative idea students can receive audio-visual education in more effective & innovative manner & this what present scenario demands. Teachers can easily upload their lesson notes, test plans, power point slides to make the chapters more lively.

Janak- let's explore the brain

Janak- let's explore the brain

Janak- concept is programmed in such a way so that the students can explore the knowledge present in their brain. Every child is special & have different learning power. The janak programmable software is also designed by Gyan Deep Sr. Sec. Public School for preparing their students to face the competitions easily. The unique features of this software are :-

- * At a single time, unlimited numbers of students can login & give the objective based test on their computers & the major point is that the questions displayed on their systems are different as compare to their adjacent student.
- * It is designed in such a manner that no one can login before or after the over of scheduled time gets over.
- * The result is displayed just after the completion of test, which creates the excitement of knowing the marks. Students now should not have to wait for 4-5 days for knowing their marks.
- *It helps in saving the time of teachers for correction & they can easily utilise their time in focussing the concepts & new teaching skills.

Sudarshan (School Management software)

Sudarshan (School Management Software)

Sudarshan- school management software is successfully running in Gyan Deep Sr. Sec. Public School. It is a kind of software through which school management keeps the academic & co-scholastic records of its each & every student. It is now very easy to track the following records of the students in a short while:

1. Track student's FA's & SA's performance individually & collectively.
2. Track the biographic details of enrolled students.
3. Trace the daily attendance of the student.
4. Helps to track the books available in school's library- Vivekanand Book Bank.
5. Helps in tracking the students availing transportation facility.
6. Helps in analysing the performance of classwise results as well as students yearwise results.
7. Guardians can receive regular SMS alerts for marks, test date P.T.M. vacation etc.

★ Softwares designed by

Ashish Gupta (Assistant Director- Gyan Deep Sr. Sec. Public School & Founder- Janak Edusoft Technologies)

www.gdpsshikohabad.edu.in

School's website in itself is a virtual mirror. Through this website, the guardians can easily update themselves with school's academic & co-scholastic activities carried out during the session. Students can download their exam results, assignment from their individual login id's. Not only this, students can also ask any of the questions to their subject teachers through the website. In short, school's website is the best interactive way to get in touch with the school even after school hours.

• Adventure sport activity during tour

www.gdpsshikohabad.edu.in

Gyan Urjaa Magazine

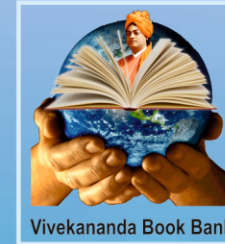

Gyan Urja Magazine

Every student has some creative hidden talent & Gyan Deep's monthly newsletter "Gyan Urjaa" is a platform where such talents are always been rewarded. Student's articles, poems, drawing etc. are printed in Gyan Urjaa. With this, Yaadein (monthly news of school), Samajik Mudda also leave deep impressions among the students. Timely, this magazine also covers the knowledgeable & thoughtful messages of guardians. Teacher's motivational & educational articles also play an inspirational soul for students.

• Gyan Deep Parivar

Vivekananda Book Bank

Vivekananda Book Bank

For the conservation of natural resources & to save our environment Gyan Deep Sr. Sec. Public School has started the facility of issuing books directly from the school's library & the

name of that library is Vivekanand Book Bank. The main objectives of Vivekanand Book Bank are as follows:

1. To safeguard the expense of guardians on books.
2. Every year many trees are being cut only for printing books & these books are sold as a scrap after one year. Vivekanand Book Bank aims to stop this.
3. When the tradition of using one book for 2-3 years will take place, then indirectly it will help in encouraging our environment.

Vivekanand Book Bank has been designed for the preservation of environment as well as to cultivate the habits of saving money and to utilise the resources. As the theory of 3R's for environment conservation i.e. REDUCE, REUSE, RECYCLE. We are trying to initiate the same practice through our Vivekanand Book Bank. Students can use & reuse the books year after year & due to this we can help in saving our environment from the cutting of trees.

Special Features

a) Day Boarding

The cognitive and psycho-motor skills of the tiny tots of kids Spring Blossom are developed by using a range of methods and techniques in a stress free, playful and fun oriented atmosphere without carrying the burden of homework. In the upper classes, the student completes the home work after school hours under the supervision of teachers.

b) Separate Hostel for Girls

Hostel facilities to the students coming from various districts and states. Architectural beauty, grassy lawns, open auditorium give an aesthetic view to the hostels. The students live under motherly care and in a homely environment. All the hostel rooms are spacious; boarders are provided with a bed, a cupboard, a book shelf, a study table & chair.

c) Career Counselling Deptt.

The school has a career - counselling Deptt. which helps students in choosing their career. The Deptt. provides information regarding Medical, Engineering, MBA, NDA etc. Students can get forms for entrance tests of different competitive exams. The Counsellors devote a lot of time to school - students not only to help them to overcome their personal problems but also to contribute to their personal development.

d) Library cum Reading Room

All the branches under our banner have a rich library where in books ranging from all time classics to contemporary blue ribbon books, ample reference books and support material for board and competitive exams are available for children. In order to keep the students abreast with the happenings round the world the library has, all the national dailies, periodicals and monthly magazines. To inculcate and ensure reading habit every class is assigned a library period.

e) Co-Curricular Activities

The school has a well balanced curriculum tuned to develop the mental and physical abilities of every child thus grooming him/her into an all round personality. Gyan Deep encourages activities like public speaking, debates, declamations, poetic recitation, poetry writing, dramatics, editing, adventure and hiking etc. It also promotes desirable creative activities and hobbies like music, dance, drawing, painting, fine arts and study of computers. Campus, cycle trips, treks and educational tours are arranged as a routine so as to inculcate a sense of self discipline, self reliance and habit of team spirit for which the school has introduced a number of houses, clubs besides, Scout and Guide.

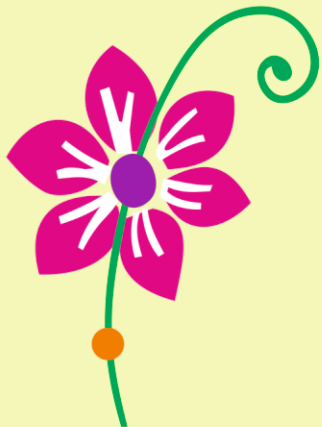

• Winning moment: Holding first position trophy in district level dance competition.

f) House System

The school is divided into different houses namely Saffron, White, Green house. Captains help in organizing their house activities and school activities. A healthy spirit of competition is encouraged among the houses by organizing inter-house competitions for which team trophies

and individual prizes are awarded. The main spirit behind house system is to infuse a sense of responsibility and leadership among the students.

g) Scout and Guide

Keeping in mind the services of the students for their motherland, the school encourages the students to form Scout and Guide. The children organize and participate in various social activities like van mahotsav, camps and excursions etc. The school has their own band with trained scouts.

h) Tours and Trips

To remove the monotony of the class room teaching with the common teaching aids of black board, chalk, duster and text book the school has multimedia aids. Besides tours and trips are conducted every year to the places of educational and historical significance so that children get first hand information.

i) Computer Orientation Programme

India is going on for wide spread computerization and practically every field is going to be affected. Keeping this in mind computer education has been included in the school curriculum.

j) Work Experience Activities

Music & Dance, Art & Crafts, Needle Crafts, Technical trades, Social Services and Audio Visual Education are the main activities in the school work experience and Cultural Activities. School has their own art & craft gallery-'UDAYAN' & own mother's club 'vaatsalya- ek maa ka ehsaas' for empowering women.

Scout group with school authorities.

Girls educational tour

Student enjoying Burma Bridge

Group photo in Dhanaulti (Uttarakhand)

Trip to Agra fort

Tour to water park

• Students playing Kabaddi

k) School Transport

The school has a fleet of a very well-maintained buses to pick up students from homes to school and back. These are also used for students' tours, campus and excursions.

l) Courses offered at Senior Secondary Level

- (a) Science stream : Physics, Chemistry, Maths, Biology, English, Computer Science, Physical Edu., Painting & Hindi.
- (b) Commerce stream: Business Studies, Accountancy, Economics, Maths, English, Hindi, Physical Edu., Painting, Computer Science & entrepreneurship.

m) Progress Reports and Promotion

Student's Diary should be checked daily by the parents so that they remain informed about day to day progress of their wards. A report of the performance of a student during the terms is communicated to his/her parents at the end of each term through progress reports. These reports contain the performance of the students in a academic, comments from the class teacher and the Principal. Promotion is granted on the basis of over all performance during the session and not on the basis of summative II or final examination results alone.

• Girl in the role of goddess Durga

Admission

- The Registration will be opened for new session from March every year.
- The new academic session starts from April every year.
- Admission will be granted only after satisfactory performance in written test-cum interview.
- If the parent/guardian decides not to send his ward to the school after the fee has been deposited, the above deposited fee will not be refunded in any case.
- Problematic students who do not improve after two warnings are rusticated and no readmission is accorded in any case.
- School is not responsible for any physical load to the student during playing, excursion, studying or caused due to negligence of the student. Although proper care and measures are taken by the school.
- At the time of admission date of birth certificate, mark sheet of previous class, school leaving certificate will be attached along with form.

Admission to Nursery

- 1) Advertisement for the enrolment for Orientation Programme for Admission to Nursery is published in the newspapers in the month of September.
- 2) Eligibility: Age should be between four and five years between or on September 30th of the academic session in which the child seeks admission to class nursery.
- 3) All the candidates and their parents are called for an interaction to assess the child using the following parameters:
 - Motor skills- Gross and fine.
 - Clarity of speech.
 - Emotional stability.
 - Interactivity.
 - Sociability.
- 4) Criteria for short listing:
 - Application form should be complete in all respects with the necessary documents (birth certificate, proof of residence) duly attested by a Gazetted Officer.
 - Clarity of speech.
 - Emotional stability.
 - Interactivity.
 - Sociability
- 5) Short listed candidates are forwarded to the selection committee for parent and child interaction. The committee comprises of Principal, Vice-Principal, Incharge Pre-Primary.

Admission from KG to IX

- 1) Admissions are done strictly on the basis of number of seats available.
- 2) A written assessment is conducted on the basis of the prescribed syllabus for the admission to particular class.
- 3) Students who qualify the written test are called for an interaction.
- 4) Admission is granted according to the Merit list prepared on basis of the performance of the student in the written test and the interaction.

Admission to XI

- 1) Admissions are offered in two streams i.e. Science and Commerce.
- 2) Admission in a particular stream is based on the cut-off percentage of marks in Class-X Board exam, as fixed by the school.
- 3) The list of the candidates who qualify according to the merit, is displayed in the month of June. Admission is granted to the successful candidates according to the school rules.

Uniform

School uniform is of vital importance for the students. It encourages simplicity, group living, cleanliness, etiquette, feeling of equality and a sense of awareness among them. Whenever the students come to school they are supposed to be in the school uniform or the dress prescribed for the occasion.

• Little stars ready for performance

Rules for School Bus Commuters

- 1) The buses will pick up the students from the (allotted) bus stops and drop them after the school hours at the stops.
- 2) The buses will not wait for the late comers. The commuters are expected to be at their stops 10 minutes before the scheduled time.
- 3) The children should stay peacefully and away from the main road till the bus arrives.
- 4) Students will be held responsible for any damage caused to the bus due to their negligence.
- 5) Students availing bus facility will deposit their bus charges in advance along with other school charges and fee.

- 6) Bus charges are to be paid for one calender year of the session (12 months) along with school fee.
- 7) Students can not withdraw their manes from the bus facility in the month of May, February & march.
- 8) If a student after discontinuing this facility wants to re-enroll it after some time during the same academic year, he will have to make payment for the gap period.
- 9) If student wants to discontinue the bus facility, he will have to deposit one month extra charge or seek permission one month in advance.
- 10) Parents are requested to refrain from breaking into any argument with any staff on bus route. In case of any grievance regarding bus service or behaviour of any staff should be made to the transport in charge.

Fee: For details of fee, please see the statement given separately with the prospectus.

Note: The management reserves the right to effect changes in the terms and conditions mentioned in Gyan Deep prospectus without any prior notice. The parents/guardians/students shall abide by all the rules of the school.

The school dispensary

The school dispensary consists of a qualified & experienced resident doctor assisted by a nurse & an attendant. Cases of minor ailments are cared for in the school dispensary.

We take all care of children & provide them facilities at our level best, but no one can alter the immutable & predetermined laws of the Almighty. If in any adverse circumstances any irreparable loss is occurred, the managerial body of the school will not be responsible for the loss.

Please Note :

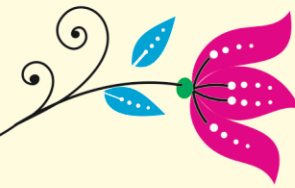

- 1) Fee once paid will not be refunded.
- 2) For withdrawal of a child one week notice is essential. A surplus charge to be paid for SLC along with all the dues against the child.
- 3) Board examination fee will be prescribed by the C.B.S.E. board from time to time.

Details of School Fee

1st Installment	1st April to 10th April
2nd Installment	1st July to 10th July
3rd Installment	1st October to 10th October
4th Installment	1st January to 10th January

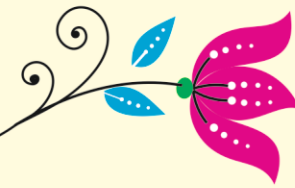

Note: As fine Rs. 5/- per day will be charged up to 30th of the month Rs. 200/- per day as fine up to 10th of the next month.
